

Agenda for HPEC Gifted Meeting

October 12, 2011

9:00 Who's Who? OR What's your number?

9:15 What's on your mind?

9:30 Math Makeover with Dan Myer

10:00 Does your school use "Study Island"? Are students allowed to work ahead on the program? Can these scores be used for acceleration or placement? If you accelerate students in Math in lower grades what are their options later in your school system? Does your school have an acceleration policy?

10:30 Bring Math books, games, and activities to share.

11:30 to 12:30 Lunch

12:30 Types of Data used for placement and acceleration. Bring one student's scores or a class groups scores to discuss.

1:00 ILP are they functional in your school district? Are your teachers adding to tier 1 and tier 2 before calling you in to help with tier 3? How many of you showed the Differential Power Point and did it help in your schools.

1:30 Conference in General including Fossils to Fuel: Energy Workshop

2:15 Journal and Newspaper Articles "Gifted in the News"--We have some to share, but feel free to bring some you've read and would like to share.

3:00 Administrative Sharing-Amber Miller

3:30 Adjourn. Drive safe and watch those numbers on your speedometer!
