

## MTSS:

### Module 1: Resources

#### **Example of Core Beliefs:**

- 1. Every student learns and continually achieves to high and challenging standards.**
- 2. Education includes both social and academic competencies.**
- 3. The teacher is the most important influence on student achievement.**
- 4. Everyone has an individual, collaborative, and collective responsibility for each student.**
- 5. Everyone in the educational community continually reflects and learns in an empowering culture.**
- 6. Change is inevitable and necessary; our response to change is the key factor of success.**
