

WEB SITES –Fall 2009 – Secondary Inservice

Reading /Language

[WWW.lexipedia.com](http://WWW.lexipedia.com) – Language – name and subjects - Don't let the "graphic" scare you – work through it – worth your while.

[www.verbalearn.com](http://www.verbalearn.com) – language – make puzzles – student function – teacher section

[www.longleaf.net/learning style.html](http://www.longleaf.net/learning style.html) – learning style inventory

[www.tarheelreader.com](http://www.tarheelreader.com)- excellent – real picture reading text – will read to the student

[www.starfall.com](http://www.starfall.com) – many activities – many schools may block because it has "games".

[www.firstschoolyears.com](http://www.firstschoolyears.com) – excellent for prefix-suffix – other language base sites

[www.quia.com](http://www.quia.com) - language – figurative language – activities – excellent
